**GOLDEN EAGLE ELECTRIC START XL**

**Thermal Aerosol-Fog Petroleum-Based, Resonant Pulse Principle**

- Easily, Effectively and Economically dispenses oil based insecticides, fungicides, germicides, disinfectants, odor control and other chemical products.

**For Professional Use**

The Golden Eagle features a revolutionary new electric starting system to assure greater reliability, effectiveness, fuel efficiency and ease of operation eliminating the need for manual starting.

No other chemical applicator dispenses oil based insecticides, fungicides, germicides, disinfectants, odor control and other chemical products as easily, effectively and economically. No other aerosol generator enjoys such world-wide acclaim. Golden Eagle, the portable powerhouse that excels on application problems where other machines fail: for those hard-to-reach areas indoors or outdoors, and for the little as well as the large jobs such as mosquito control to combat malaria and dengue fever.

And finally for its size, no other machine surpasses the Golden Eagle's application capacity or its speed in completing difficult chemical application jobs: warehouses, factories, food processing plants, greenhouses, parks, camp-grounds cattle barns, swine/poultry houses, grain mills shopping centers, schools, restaurants, apartment complexes, hotels and much more.

A special backpack version is available for small scale applications of fungicide to certain tree crops such as: rubber, oil palm and cocoa.
